

**Australian Student Christian Movement
National Conference 2004**

Wisdom of Ages

Issues of Today

*Ecumenical and interfaith dialogue
on peace, justice and gender equity*

Perth: July 11-15, 2004

This year's ASCM national conference explores what the Christian churches have to say about three key issues - peace, justice and gender equity - as the basis for well-informed dialogue with some of the world's other major religions. Come join us in Perth to:

- Meet cool people from around Australia
- Explore your own faith
- Be challenged by others' perspectives
- Grapple with contemporary social issues
- Learn about the ASCM
- Be inspired!

Peace

The conference features:

Excellent guest speakers from Christian denominations and other faiths

Lots of structured discussion
