

Who's on the bus?

AUSTRALIAN STUDENT CHRISTIAN MOVEMENT NATIONAL CONFERENCE - PERTH - 5-8 July 2009 a space for questions ... doubts ... maybes ...

Would YOU be happy if there was no God?
What does the existence of God have to do with enjoying life?
What if your life was not just about you?
Where can you get a free ride on any philosophical bus?
How much of your spirituality is determined by billboards?
What sort of God do you think doesn't exist?
What sort of God do you hope does?

Set in a rural paradise near Perth, the Conference brings together students and friends to explore possibilities within Christian faith
